Introduction

Welcome to Aylmer Minor Baseball's combined 13U / 15U program. This is a non-competitive, recreational program with an emphasis on teaching the fundamentals of baseball, having fun and stressing good sportsmanship.

Each session will be approximately 90 minutes in length and will consist of practice time and games.

Equipment

The following equipment will be given to each team or made available at each session:

- Bats (not exceeding 2 ¾ diameter)
- Bases
- Hitting tee's

- Helmets

- Catchers equipment
- Assorted training equipment

The Game

Most of the standard 13U/15U Rules published in the 2022 Baseball Ontario Constitution and By-Laws manual shall apply with some exceptions. The main rules and exceptions are as follows.

Pitching Machine

- Pitching machine if utilized is placed a distance of 50 feet from home plate.
- An 8ft diameter safety circle shall be marked off around the pitching machine. No player shall enter this safety circle. Any ball that lands inside the safety circle shall be declared a dead ball and will be retrieved by a coach.
- The pitching machine can be altered only at the end an inning. Machine speed should be set to a maximum of 45mph and a minimum of 35mph. Height can be adjusted at any time.
- A ball that contacts the pitching machine will be called dead. The hitter will be given first base and each base runner will advance to the next base.
- One offensive coach will be required to feed balls into the pitching machine. This coach must avoid the live play and must not make contact with a hit ball or any defensive player.

Pitching

- The pitcher shall pitch from a distance of 50' from home plate.
- A pitcher may not pitch more than 80 pitches on a calendar day.
- Trips to the mound by a coach are unlimited but cannot be for the purpose of delaying a game which will be determined by the umpire.
- Intentional delay of game will result in removal of the pitcher.
- Once a pitcher is pulled from the game they game cannot pitch again for that game. The pitcher may continue the game at any other position except catcher.
- Standard OBA rules apply.

Hitting

- The batting order will be determined prior to the start of the game and will not change during the game. The batting order should be rotated each game to ensure each player gets to hit at the top of the batting order.

- Regular baseball pitch count of 4 balls and 3 strikes applies. A player cannot run on the third strike if it is dropped by the catcher. A foul ball does not count as a third strike.
- Batters must not throw the bat (intentional or unintentional) upon hitting the ball. After a thrown bat the play will be called dead. Players will receive one warning and a chance to hit again from the same strike count. Any further instances by the same player will result in the player being called out. All base runners will return to their starting base.
- Infield fly rule does not apply.
- Bats shall not exceed 2 ¾ diameter. Players may use their own bats if they are baseball approved. No softball bats will be used.

Fielding

- One defensive coach will be allowed on the field to assist players. The coach must stand just outside of the infield.
- Defensive player in the pitching position while the pitching machine is on the field must be positioned behind the release point of the pitching machine.
- Defensive player in the catcher's position must wear catcher's equipment.
- There will be a maximum of 10 defensive positions consisting of 6 infielders and 4 outfielders.
- All players must play a different position from game to game. A player does not have to play certain positions such as catcher, pitcher or first base if they are not comfortable or not able to safely play the position.

Base Running

- Players are allowed to lead to lead off and steal.
- In the case of a passed ball the base runner may only proceed to the base they are heading to. No extra base shall be awarded.
- Once a defensive player has gained control of the ball in the infield the base runners may only proceed to the base they were on path to.
- Pinch running only allowed in the case of injury.

General

- Each half inning will end after either 3 outs or once the batting team scored 5 runs.
- A regulation baseball or any ball approved by the AMBA board will be provided for all games.
- No new inning shall be started after 9:30pm.
- Maximum number of innings to be played is 7 with a full game being 5 innings.
- No smoking or inappropriate language shall be used on the baseball grounds.
- The home team shall help setup the field and the visiting team shall help take down the field.

Hands holding the bat should be together (not spaced) and above shoulder.
